The Albert Park playgrounds will close next Saturday evening for the summer. Since the opening of the park the average daily attendance has been close to 200 with a high record of 600 for one day. During the month of August a total attendance is estimated at 5673. Monday was kite day but as the wind and weather was unfavorable for kite flying, next Friday has been announced as kite day when it is hoped that all the children who made their fancy flyers will be on hand for a try out.

The Salem Patriotic League wishes to thank the chief of police, his deputies, the Coerrigans and the members of the Salem rifle club for their efforts this morning in handling the crowds at the depot and other help given. They also wish to thank the train men in making things pleasant for them. In fact, everybody including the telephone girls has done all that could be asked in aiding and the members of the League wish it to be known that they appreciate these kindnesses.

When the call came for blankets and comforts for Company M shortly after they left for the border, many were sent with the name of the donor on a card pinned to the blankets. These cards of course have been lost or mislaid during the use of the blankets. Hence, when they are returned tomorrow morning at the armory from 10 until 11 o'clock, many will have to identify their own property. If the blankets and comforts are not called for tomorrow morning during the hour the armory is open, they will be left there at the owner's risk.

Mis-directed letters continue to puzzle the nixie man at the post office, as well as the general delivery man. For instance, Mrs. Mary Lunn will not receive her letter until the dead letter office at Washington, D. C., gets into it, as it was addressed to 225 East 39th street, Salem, Oregon. Mrs. E. Meyer will also have to wait some time for her letter, as it was addressed simply to getting the letter is that the writer left some address in the letter to aid the dead letter office. A postal card that can never be delivered is as follows: "Dear Billie: Just arrived in Salem and my first thought is to write you. Hazel." Unfortunately, Hazel failed to address the card.

This is accounted for from the fact that Mr. Savage left with a weight of about 240 pounds, and while he is loser a about 40 pounds in weight, the boys say he has gained in general activity.

A motoring party of six men and their wives left Salem Saturday evening for Portland for a Sunday and Monday ride to the Hood River country. After arriving at Hood River, the party separated each autoist traveling according to his own plans. In the party were Mr. and Mrs. H. J. Wenderoth, Mr. and Mrs. George Riehes, Mr. and Mrs. S. M. Deerfler, Mr. and Mrs. T. M. Galloway, Mr. and Mrs. Roy Burton and Mr. and Mrs. Gordon McGilchrist.

Bowling Season Opened Last Night

The Corvallis Beavers proved easy for the local boys on the Salem alleys last night. This was the opening game of the bowling season, and while some of the boys were a little off form, they showed enough to convince us that this season Salem will have a bowling team second to none in the valley and one that can hold their own with any of the Portland quintettes. The Corvallis team was strengthened by the addition of Fred Raymond, the crack Portland bowler, who will captain that team this season, but the local boys were not to be denied the opening game, and won by the wide margin of 270 pins. A meeting will be held next week to organize the valley league and it is expected that the schedule will be ready by October 1. Every afternoon from 2 to 5 will be ladies' day on the local alleys, and the fair bowlers will be given a half price rate. The new management intends to conduct the alleys so the ladies can bowl at all times, and

DIRECTORS SUBMIT PLAYGROUND REPORT

Attendance for Month 5673-- Nearly 600 August 24-- Closes Saturday

Miss Elizabeth Schultz and C. E. Ottendorfer, directors of the Albert Park Playgrounds, have submitted to the playgrounds committee a report covering the month of August and giving a detailed statement of the daily attendance.

During the entire month, the total attendance was 5673. The largest attendance for any one day was about 600 on August 24. The attendance on Sunday was not given but would probably average 250 for each Sunday. During the month, 107 family picnic parties were held on the grounds; the largest number for any one day was 16. In addition to the family picnic parties there was a picnic of one each for the following organizations: Sunday school, Y. W. C. A., Cherrin, Spanish War veterans and Happy Hour club.

The report of the directors states that the conduct of the children has been splendid. The safety of the swimming hole has without doubt made swimming the chief attraction and during the past month the boating and swimming has taken almost the undivided attention of both instructors. On some afternoons there were as many as 150 boys and girls in the swimming pool. There have been no serious accidents.

The great number of family picnic parties, neighborhood picnic groups and the various organizations who have come to the grounds during the month shows appreciation for such a place as the Albert Park Playgrounds. They came from all parts of the city and some have come from the country several miles out. Mothers who realize that no matter how large their own yard is, their children crave association with numbers and water sports, and come for the day. They realize that a pool under supervision is a much cleaner and safer place for their boys and girls than the old swimming hole.

Monday, September 4, had been set aside for Kite day and great was the disappointment when the weather turned out rainy with no wind for sailing kites. Many beautiful kites were brought to the grounds and some of them had required a great deal of skilled work and were things of beauty; this was notably so with the kites built by the Filipino boys. If the weather is suitable, the Kite day performance will take place on Friday, at 4 o'clock. Children are urged to bring their kites on that day and others who have not done so are requested to build kites and be present with them. A suitable prize for first and second best kites will be awarded.

It was intended to keep the grounds open until September 15, but it is now thought perhaps better to close on September 9. All children are requested to make their farewell visit to the playgrounds this week. Parents and children who have not yet visited the grounds are especially invited to come and see the place before the apparatus is taken down. The water in the swimming hole is especially fine at this time and swimming will be a continued feature of the remaining days of the playgrounds.

BURGLAR CAUGHT IS 11 YEAR OLD BOY

Robbed Four Stores Saturday and Sunday Night--Bike Gave Him Away

The mystery surrounding a number of burglaries which have occurred during the past week in the business district was cleared up this morning when Tom Biekman, aged 11 years, was arrested while attempting to dispose of some of the stolen goods to A. H. Moore.

At the police station the boy made a clean breast of his operations covering the past few days. He persists that he has worked entirely alone.

On Saturday night he broke into Steinbock's second hand store, at Commercial and Chenock streets, taking a coat and about \$15 in buffalo nickels.

The same night he entered Scott's second hand store on Court street by way of the skylight, and again last night, taking two watches and \$1.25 in money.

Last night also he entered Stiff's store at Court and Liberty and took \$6.15 from the cash register.

At Watt Shipp's last night he took a bicycle. It was the effort to dispose of parts of this that led to his apprehension.

Chief of Police Welsh states that the boy has been concerned in a number of petty thievery prior to this time, but that because of his age no action has been taken against him.

He has been turned over to the juvenile court.

Auto Turned Turtle Four Killed, Three Hurt

Ann Arbor, Mich., Sept. 5.—Four Ann Arbor persons met death and three others were seriously injured early today near Sandusky, Ohio, when the automobile in which they were riding, turned turtle at a sharp turn, according to messages received here.

The dead: Harry C. Millman, Don A. Stark, Mrs. Stark, Norman Eschelbach.

Millman was a brother of Mabel Millman, Ann Arbor girl whose dismembered body was found in Ecorse creek, Detroit, seven years ago.

Republican Chairman Pleased with Outlook

New York, Sept. 5.—Chairman William R. Wilcox of the republican national committee returned today from a western trip full of enthusiasm.

"I have found that the middle west is going strong for Hughes and on every hand I heard most encouraging reports regarding the success of the candidate's trip," said Wilcox. "As to the reports that the trip has not been all that Mr. Hughes wanted it to be, the candidate does not know where those reports come from but he feels highly pleased with the reception he has met with."

Leaders assured me," the chairman said, "that we will carry Illinois, Ohio, Missouri, Kansas, Kentucky and Indiana, and these are only the states that I have come in direct contact with."

THIRD OREGON IS BACK FROM BORDER

Trip Home Uneventful Except for the Sad Incident at Hornbrook

By Evans Houston

After winning numerous "bloodless victories" on the border as Secretary Baker was pleased to call them, Company M of Salem and Companies I, K and L returned to Clackamas today from border patrol duty. For a few days while the sympathetic ears held out many battles of Bull Run will be waged by the 350 trained Mexican athletes who make up the Third Battalion under Major Carl Abrams. The order to move was received at the camps at Imperial Beach Wednesday noon and immediately the boys made feverish preparations to leave for the north, which they hoped would be Oregon.

The saddle colored seronitas about camp were hastily kissed and whole platoons went in search of horned toads to bring home as souvenirs. Two men hastened to perform every task and Private Benjamin of Co. M even went to First Sergeant Banta and asked if he could not get a new job as he had finished the last task assigned—a soldier hunting work is unprecedented in the American army.

Wednesday and Thursday nights were spent in the small "pop tents" and Friday morning at 9:30 the Third Battalion marched from Imperial Beach to Palm City where the trains were held.

"Was everybody happy?" well rather—not because Imperial Beach was a bad camp, for there is not a better one on the Mexican border, but because they were moving, they would have gone as cheerfully to Mexico City, heaven or hades, just so long as they were on the move.

The trip home was uneventful in the main and was marred by but one sad incident at Siskiyon. At Hornbrook the last wet town in California, the boys of the whole battalion felt a sudden thirst. The train stopped for 10 minutes and most of the boys remembered a sick friend in Oregon who might need a stimulant. Co. M was on guard and a picket line was established.
